

## Memorial Bone & Joint Research Foundation's "Golf for Research" Golf Tournament

The Memorial Bone & Joint Research Foundation is hosting its second annual Golf Tournament benefiting research for improved Joint Replacement Surgeries.

The Memorial Bone & Joint Research Foundation is a 501(c)(3) organization established in Nov '03 by Dr Stefan Kreuzer. The organization researches better techniques of performing joint replacement surgeries, reducing post surgery infections and best methods to implement them to benefit patients. Thanks to the studies till now we have successfully confirmed the advantages of many of his Direct Anterior Approach surgeries with computerized techniques for hip replacements, and the robot assisted approach for the knee replacements. The results have been acclaimed at Orthopedic Conferences and published in well-known Journals of Orthopedics. To carry on the good work and to recruit people for carrying out practical and educational research - critical funds for this non-profit organization are the limiting factor.

We invite you to come on out and join the fun as we Golf for Research! Celebrity guests include Dr. Stefan Kreuzer, A.J. Foyt, Clyde Drexler and Jacky Dorsey. Enclosed please find details, or contact Ashish Arya at (713) 936-1663 or [aarya@mbjc.net](mailto:aarya@mbjc.net)

**Registration & Directions:** [www.golf4research.com](http://www.golf4research.com)

Sincerely,

Stefan Kreuzer, MD    Ron Ivy    Stan Goss    Bubba Levy    Suzanne Janacek
